BEST SPOT IN THE ESTATE

The original owner/builder of this residence always stated he had the best location in the estate. We believe he was correct. Positioned on the crest of a gentle ridge and encompassing two glorious acres, this home was originally constructed and occupied by a master builder. The current ownership has always appreciated the benefits of this property. Rambling single level living with minimal steps and easy access at strategic locations around the dwelling including ramping. Five very spacious bedrooms plus a dedicated office space. Two full bathrooms including ensuite to master. Expansive living zones providing everyday space, formal and casual. Plus, a massive, fully covered, all weather outdoor living with north west orientation.

Ideal for a dedicated collector/hobbyist. Separate from the internally accessed double garage, a detached brick garage/workshop. Two extra garages complements the workshop space. Massive double carport suitable for large boat, caravan, motorhome. Inclusive with WC facilities. A man could almost live there. Store the lot.
